

Curriculum Vitae

Vision:

A career with an organization offering challenging environment and given a chance to my education base, wish to be a part of the organization's growth.

Project Profile:

- A project on **"Introduction to Bioinformatics"** at the Graduation level.
- A project on **"Mutations in Beta Hemoglobin chain for Beta-Thalassemia and Sickle cell anaemia."** with GeneTech Pvt. Ltd., Hyderabad, Mentor: Dr Rajeshwari Tadigadapa, Mr. Jagadeesh Babu at Graduation level.
- A project on **"Characterization of T-DNA insertion mutant of Arabidopsis thaliana."** with CSIR - Centre for Cellular and Molecular Biology, Hyderabad, Mentor: Dr Sreenivasulu Yelam, Dr Malathi Pinninti at Post-Graduation level.

Biotechniques:

Plasmid DNA and RNA isolation, Gel preparation, Polymerase Chain Reaction(PCR) technique, Immunology techniques, Chromatographic techniques, Microbiology experiments, Fermentation processing, Plant Tissue Culture.

Other Technical Skills:

- Microsoft Office
- **Databases:** MySQL, SQL.
- **Scripting Languages:** HTML, CSS.
- **Programming Languages:** Java, PHP.

About Me:

My Education:

- My Primary, Secondary and Higher Secondary all at D.A.V. Public School, Kukatpally, Hyderabad.
- My Graduation in Biochemistry at St. Francis College for Women, Begumpet, Hyderabad.
- My Post-Graduation with GITAM University (Center for Distance Education), Vizag in Biotechnology.

Other Information:

- Secured 5th rank in class, secured 11th State rank in 10th Informatics Olympiad 2013.
- Possess **Karate Black Belt Shodan** and medals at tournaments at different levels.

- An active volunteer of **NSS (National Service Scheme)** from college, member of blood donation camp and AIDS awareness. Completed NSS camp to a rural village for awareness and development. And also participated in “International Youth Day” conducted by Osmania University- NSS Cell.
- Volunteer of science club (**Spectrum**) for college fest.
- Volunteered for the **GLEE event**.
- Participated in a science workshop organized by the biochemistry department on **HPLC Techniques**.
- Certificate course in **Fitness Capsule**.
- Interdisciplinary course in **International travel and Etiquette**.
- Certificate course in **Multimedia Photoshop**.
- Participated in a science workshop organized by the biochemistry department on **Plant Tissue Culture**.
- Certificate in **NanoBiotechnology**, an Online Certificate Course by **BioLim Centre for Science & Technology** (<http://www.biolim.org/>).

My Exposure:

- Jubilee Hills Public School, Jubilee Hills, Hyderabad - Computer Assistant.
- Vignan's Bo Tree School, Nizampet, Hyderabad - Computer Teacher.

My profile as declared, if measured by a yardstick can stand different but given an opportunity, my confidence can prove different.
